Qualifications

Rodney Hyman, over more than four decades, has been one of the most prolific names in the asset management industry. A leading light in three industry bodies for over 30 years, including Chairman of the Machinery and Business Assets Faculty of the Royal Institution of Chartered Surveyors and Divisional Senior Vice President of The Australian Property Institute. He holds a range of qualifications as a valuer.

Rodney relishes his role as a guest lecturer at the University of Western Sydney on the broad and diverse topic of valuations. His diversity of expertise extends from being a member of the Law Council of Australia to an Accredited Senior Appraiser of the American Society of Appraisers to name just a few. Also, Rod was a member of the Australian Valuation Standards Board from 2005 - 2011.

In 2007 Rodney was elected a Life Fellow of the Australian Property Institute and in 2012 a Member of the Order of Australia for *service to the plant and machinery valuation industry... to professional organisations and to the community.*

Expertise

Rodney has extensive experience in the many areas of plant and machinery including infrastructure, transport, extractive industries, forestry and hospitality and specializes in litigation support. While these are his specialist areas, Rodney has undertaken significant work in every conceivable area related to non-real property assets.

Background

Rodney started in the profession in 1970 and over time assumed the role of Executive Chairman in two major Australian practices. In 1999, Rodney established RHAS and today RHAS boasts an extensive range of blue chip clients, with the company represented throughout Australia and Asia, Europe and the America's. In 2014 RHAS was purchased by the consulting arm of Aon Plc and Rod continues as a consultant to this business.

Interests

Over the years, Rodney has conducted a variety of charity auctions for organizations such as Variety Club and local community public and private schools. He has a particular interest in the area of plant and machinery valuation education, hosting the 2002, 3rd International Conference on the Valuation of Plant, Machinery and Equipment in Sydney and again in London in 2007. Rodney is keenly sought as a speaker and has presented papers at conferences around the world. He is a keen follower of rugby and enjoys Symphony, Opera and theatre.
